Re: **Request for Refund**

Dear Sir,

Recently we have received the Notice to file missing parts, requiring us to submit declaration and basic filing fee. Please note that the above-referenced application was filed on line, including the executed assignment and declaration. The Image File Wrapper also confirmed that the declaration was filed on November 26, 2003, see attached. I hereby request the withdrawal of the Notice to file missing parts of Nonprovisional Application, mailed on Feb. 27, 2004.

With reference to the filing fee, please note that the subject application was paid on line while filing. Further, we also filed a request for refund on Dec. 8, 2003 as erroneously large entity was claimed while filing on line though the applicant is of small entity. The Image File Wrapper also confirmed that such a request for refund was received with the Office stamp indicating total credit card refund amounting to US\$428.00. Attached herewith is the page for your quick reference. However, so far the refund has not shown on our credit card account details. Please look into the matter and credit the refund of US\$428.00 to Deposit Account No. 50-2620 (Order No.12251-US-PA).

Thank you for your attention and assistance in this matter. If there is any question, please feel free to contact me.
